Subject: FW: Dilution Study Training and Assistance

Hi Dave,

It looks like DOH needs more imminent assistance – would it be possible to secure some contractor support for review of a couple specific dilution studies?

Subject: Dilution Study Training and Assistance

Hi Elizabeth,

We wanted to find out if there was any progress on the dilution study training and assistance.

Sorry to bug you about this. The City and County of Honolulu is asking about their dilution studies for the Kailua and Honouliuli contested cases.

Thanks,
Darryl
